Written Testimony

I am currently a mentor, and I feel this program is very beneficial for the kids. This positive mentorship surfing program is more beneficial to my mentee than being placed in juvenile detention, constrained by other types of court probations, or rehab alone. Through my role as a mentor and through the experience to surf together, I've helped to pave a path of light and opportunity for my mentee's future. I ask that other children receive the same opportunity to participate in such a neat program.
